

March-a-Thon Corporate Pledges

On Saturday, September 22, the Westwood Warrior Band will host its First Annual March-a-thon. Students will participate in a 4-hour afternoon rehearsal that ends in a free public performance at 8 pm. Funds raised will go directly to supporting all students in the program. Once our budgeted goal is met, additional funds raised will go toward a dedicated semi-trailer for transporting the band's equipment, instruments, and props. Would you consider making a pledge today?
